

## Getting to Schloss Eggenberg by road

Roadworks in the Annenstraße - Eggenberggürtel/ Bahnhofgürtel area will cause considerable traffic delays until 2013. Access to Schloss Eggenberg will consequently be more difficult.

Public transport is not affected (partial replacement services on tram routes 1 and 7).

The following diversion routes for cars and coaches avoid the roadworks:

### From the south (A9 exit Graz West)

Kärntner Straße (Packer Bundesstraße B70) - Alte Poststraße - Wetzelsdorfer Straße - Burenstraße - Herbersteinstraße - Eggenberger Allee

### From the north (A9 exit Graz Nord)

Wiener Straße - Peter Tunner Gasse - Göstinger Straße - Georgigasse - Schloßstraße - Eggenberger Allee

### From the centre of Graz

An extensive detour (north diversion) will prevent major delays.
