So what's it all about, the number "3", when we invite visitors to the "*er-Atelier*? 3 hours are what's behind it, 3 hours to live your creativity and designer talents to the full! We meet in the new studio every 3rd Saturday in the month, with at least 3 children, to try out our artistic talents together. The most important "3" ingredient is the call to all art lovers to look for 3 works of art, ideas or themes in the exhibitions, which will then find special expression in an individual and artistic way in the *3er-Atelier*. Those accompanying children can join the General Tour of the Joanneum Quarter at 2 p.m. (2.50 € / person, not including admission).
